

DOWNTOWN PARKING STUDY FORUM

Thursday, September 29, 2016

6:30p.m.

Common Council Chambers

224 E. Jefferson Street

Public forum meeting is to present the initial online survey results regarding downtown parking in an interactive session, receive community input and have a discussion regarding the City's downtown parking challenges and needs.

The intended outcome of the Parking Study is to develop a greater sense of awareness within the community regarding parking policies and issues impacting public parking in the downtown area; and to develop short-term and longer-term solutions that will help the City to better manage its supply of public parking intended to support downtown's continued redevelopment and revitalization efforts.

Notice is hereby given that a majority of the members of the Common Council may be present at the meeting. Although this may constitute a quorum of the Council, the Council will not take any action at this meeting.
