**United we Kneel for Racial Injustice**

As the Mayor of Burlington, I firmly believe and echo the words of Chief Anderson that were published in the Standard Press, article "Peaceful, yet Powerful" on June 4, 2020. We condemn the actions of the officers involved in the death of George Floyd on May 25, 2020 in the state of Minnesota. The City is proud to partner with those that ensure suppressed voices of racial injustice are heard.

To the City of Burlington Businesses and Community, please understand we are continuously monitoring social media and conversing with Federal, State and Local agencies regarding protests. If we become aware of credible information regarding protests specific to Burlington, we will appropriately share this communication for awareness and duty to our citizens and businesses.
