

City of Burlington Police Department

CITY OF BURLINGTON POLICE DEPARTMENT
BURLINGTON, WISCONSIN

2010 Annual Report

May 4, 2011

Mayor Robert Miller
Burlington Common Council
Burlington Police & Fire Commission
City Administrator Kevin Lahner
City of Burlington
300 North Pine Road
Burlington, WI 53105

Dear Ladies and Gentleman,

I am pleased to present the City of Burlington Police Department's Annual Report for 2010. This report does describe the activities, calls for service, crime statistics, and the training attended by members of the department during the calendar year of 2010. As you will see in this report our officers worked very hard keeping the City of Burlington a great place to live, work, and visit. Their hard work has reduced the overall crime rate in the city by 21% in 2010. We certainly do not like to see crime occur in our city but when it does our officers are very efficient in responding and solving those cases.

In addition to the reduction in the crime rate, vehicle crashes in the city have been reduced as well. The reduction in vehicle crashes can be partly attributed to the increase in traffic enforcement in 2010. Our officers conducted over 600 more traffic stops in 2010 compared to 2009. Along with providing quality service and protection to the city, our officers attended at least 24 hours of training throughout the year. Most of the training was conducted by our own highly qualified instructors. In addition to providing excellent police services to the community our officers are very active within the community as illustrated by their involvement in the annual bike rodeo, polar plunge, torch run, and safety town.

The police departments continued support by the City Administrator, elected officials, the Burlington Police & Fire Commission and the community, has enabled the City of Burlington Police Department to effectively and efficiently provide services to City of Burlington. The department looks forward to provide services and working with the community in the year 2011.

Sincerely,

Peter A. Nimmer
Chief of Police

The Burlington Police Department provides patrol to all parts of the City, responds to calls for police service, conducts investigations in response to reported crimes, generates and maintains records of all reported crimes and police related incidents; provides emergency response to major accidents, natural disasters, civil disorders and other public emergencies, and community crime prevention services. Our Police Department is committed to employing the highest standards of performance, best practices in policing, and accountability, and reflecting the values of the city it serves.

The men and women of the Burlington Police Department are honored to have the opportunity to serve the citizens of Burlington. We are proud of the way in which we interact with the community in our continuing collaborative problem solving efforts. In a concerted effort to be transparent with the community, we strive for excellence in providing all of the requirements necessary from a full service modern police department. The Police Department strives to maintain the trust of the Burlington community members by actively engaging with the neighborhood it serves. We listen to our community and we respond.

Fatal	0	0	1

Detective Bureau

The City of Burlington Detective Bureau was involved in several notable investigations in 2010.

Attempted Homicide

Detective bureau personnel worked countless hours with the Racine County District Attorney's Office on an attempted homicide case that occurred in November of 2007. Two suspects were identified and charged in Racine County Circuit Court. Those two cases came to a close in 2010 at which time one suspect was sentenced to 35 years in prison and the second suspect was sentenced to 16 years in prison.

Burglary

The Detective Bureau continued an investigation into a Burglary that occurred at Burlington Brewing Company where numerous gambling machines were broken into. The suspects took a large amount of cash along with liquor bottles. Detective Bureau personnel worked with surrounding agencies and identified similarities in numerous burglaries. By following leads and working with other agencies, three suspects were identified and charged.

Fraud

The Detective Bureau initiated an investigation after learning of two suspects passing fraudulent checks. The fraudulent checks totaled over \$22,000. During the investigation it was determined the fraud occurred in numerous jurisdictions and quickly became a joint effort. The investigation resulted in the identification and charge of a suspect.

Felony Theft

The Detective Bureau followed up on a theft report from Visacom in late August. Stolen from the building was various amounts and types of cable totaling approximately \$5,000. The investigation required follow up with a large amount of individuals due to the various uses of the building. Through coordinated efforts of the Detective Bureau and patrol, a suspect was identified and charged in felony court.

Vandalism

In early October, the police department received a complaint of vandalism on the property of Cretex Materials Incorporated. The property sustained serve damage by windows being broken out of buildings, the interior of buildings be rummaged through and spray paint vandalism throughout the property. A few weeks later, a similar incident was reported. Working with the School Liaison Officer, the Detective Bureau was able to identify four juvenile suspects. Four juveniles were subsequently charged with numerous counts of burglary and vandalism.

Police K-9 Unit

City of Burlington K-9 Unit

Sgt. John Fisher & K-9 Natz

Natz was born on January 9th, 2002 in Germany. He was acquired from Germany in March of 2003 from Steinig-Tal Kennels in Campbellsport, Wisconsin. In September of 2003 Natz and his partner, Sgt. John Fisher, went through a four week training period at STK. The K-9 team became certified on October 3, 2003. Natz began his service with the Burlington Police Department as Burlington's second K-9. Natz is a dual purpose police dog, trained in narcotics detection and patrol work. Sgt. Fisher has been the K-9 Handler for the City of Burlington Police Department for the past twelve years. Natz replaced the department's first K-9, Nando, after Nando was put out of service due to medical complications.

Training for Sgt. Fisher and Natz is ongoing and never ends. The K-9 team trains weekly under the most realistic settings. Area businesses allow access to their buildings and property for training along with occasional mock traffic stops during the course of a shift. Each month the K-9 team goes back to STK for maintenance training with other K-9 teams. The K-9 team must also complete a one week yearly re-certification course at STK. Sgt. Fisher and Natz conduct standard patrol, assist other jurisdictions when requested, conduct building searches and do demonstrations through out the community.

Natz lives with Sgt. Fisher and his family and reports to work with him. When Natz is off duty he enjoys playing and sneaking onto the recliner to catch a Green Bay Packer or Seattle Mariner game on the television.

Community Activities

Peace Officer Memorial Week

In 1979, the Peace Officer Memorial Day function consisted of everyone meeting for about eight to ten minutes over by the library. That was the original venue of the marker stone that was later moved to the corner of East Jefferson and North Dodge Streets. The ceremony consisted of prayer said in commemoration of Officer Huber ("Pink") Schenning and Sergeant Anthony ("Tony") Eilers, both of whom were shot to death in the line of duty.

The primary reason for the program is still to remember and pay homage to Officer Schenning and Sergeant Eilers, but we've built the program to include inviting some 90 separate invitations being sent out (police personnel, local politicians, adjacent jurisdiction law enforcement personnel). The City of Burlington Police Department has since incorporated our annual awards presentation. We decided that Peace Officer Memorial Day should also include not only those who died in the line of duty, but also those that survived (retirees) and those still serving. The program is currently headed by Officer Paul Warick who tries to implement something new each year.

Among the new additions during the past ten years or so:

- American Legion Post #20 of Waterford (roll call reading, rifle salute, prayer and playing of "Taps");
- A singing of the National Anthem;
- Civilian Awards;
- Our own Burlington Police Honor Guard;
- Presentation of the "Colors"; and
- Chaplain Scott Carson being named to that position;

The 2010 Peace Officer Memorial Day program had the following civilians receiving awards:

- Romaine Larson - Citizen Certificate of Commendation
- Unnamed person in canoe - Citizen Certificate of Commendation
- David Marshall - Citizen Certificate of Commendation
- Ericka Castillo - Citizen Certificate of Commendation
- Jennifer Schilling - Citizen Certificate of Commendation
- Tom Pringle - Meritorious Service Award for Police and Fire Commission

The 2010 program had the following Burlington Police Department personnel receiving awards:

- Sergeant Michael Madsen - 30-Year Honorable Service Award
- Officer Paul Warick - 30-Year Honorable Service Award
- Officer Mark Johnston - 25-Year Honorable Service Award
- Cassandra Baumeister - 20-Year Honorable Service Award
- Sergeant John Fisher - 20-Year Honorable Service Award
- Lieutenant Mark Anderson - 15-Year Honorable Service Award
- Officer Bryan Wangnoss - 10-Year Honorable Service Award
- Officer Daniel Hayes - 5-Year Honorable Service Award
- Officer Danielle Baranek - 5-Year Honorable Service Award
- Dispatcher Lauri Gatto - 5-Year Honorable Service Award
- Officer Mark Johnston - Letter of Commendation
- Sergeant John Fisher – Police Medal
- Officer Robert Jones – Meritorious Service Award for Field Training Officer
- Officer Thomas Kelter - Meritorious Service Award for Field Training Officer
- Officer Eric Mitchell - Meritorious Service Award for Professional Communications
- Dispatcher Colleen Schwochert - Meritorious Service Award for Communications Training Officer

Bike Rodeo

The first Saturday in June brings the annual Bike Rodeo, which is most popular with children under 12 years of age. Activities include bicycle registration, distribution of free bike helmets, safety inspections, and supervised practice for safe operation using obstacle courses and other common "hazards." The safety course is designed to test and give participants knowledge of how to safely operate their bicycles. Participants are also given a safety presentation on the safe and responsible operation of bicycles. Participants are encouraged to bring their own bicycle to gain confidence in their riding ability.

The rodeo is hosted by the City of Burlington Police Bike Unit Officer Hayes and Sgt. Zmudzinski along with other volunteers from the police department. Other activities at the rodeo include a K9 demonstration, Ronald McDonald, and a police escorted bike ride through the city with the children and parents. In the past we have raffled off bikes given to us by various organizations. The rodeo is free to all participants. It's a great opportunity for the community to meet and speak with officers to build the community relations.

2010 Polar Plunge

In 2010 total of over 7,850 plungers participated in twelve polar plunges throughout Wisconsin and helped to raise a total of \$1,509,01 for Special Olympics Wisconsin statewide. Sgt. Zmudzinski coordinates the annual polar plunge for the City of Burlington Police Department.

2010 year was our 4th annual appearance in the Polar Plunge. Sgt. Zmudzinski, Officer Brierly, Officer Krusemark, Brian Wood along with their family and friends took the plunge into the ice cold water of Muskego Lake. As a department we raised nearly \$1,500 in donation money. The event is open to the community and everyone is welcome and encouraged to join our team. Each year our team jumps into the frozen waters around the second Sunday in January at Muskego County Park. Money raised in the Polar Plunge provides funding for nearly 10,000 athletes with cognitive disabilities to reach for the gold. It's a great opportunity for City of Burlington staff to support the community by participating in this important event.

Torch Run

June 2010 was the City of Burlington's 5th year participating in the Law Enforcement Torch Run. Our team runs the final leg of the event in southeastern area 7 which includes Walworth, Racine, Jefferson, and Kenosha counties. Department volunteers represent BUPD in the event and run individual legs ranging from one to ten miles depending on the runner. Participants can run or bike individually or with a group. This year the participants from the City of Burlington Police Department included Chief Nimmer, Lt. Anderson, Sgt. Zmudzinski, Officer Wangnoss, Officer Baranek, Officer Krusemark, and Officer Borchardt.

Agencies such as City of Racine Police, Racine County Sheriff's Department, Mt. Pleasant Police Department, Racine Correctional staff, certain ADA members, and DNR officers have participated in the past along side BUPD officers. Every year our police union makes a considerable donation to Special Olympics WI for the Torch Run. In 2010, Wisconsin, more than \$1.8 million was raised through Law Enforcement Torch Run events with more than 1,000 registered participants representing more than 170 law enforcement agencies, making Wisconsin the fifth largest Torch Run program in the world

Kid Kare Motorcycle Run

Officer Wangnoss has represented the City of Burlington Police in the Kid Kare program for the last few years. The Kid Kare program is a county wide program, which is supported by law enforcement agencies throughout Southeastern Wisconsin. The program averages approximately \$8,000 to \$10,000 a year that is placed into a Kid Kare account. This money is used to purchase DNA kits, identification for kids to be used for other programs such as Safety town and the Bike Rodeo.

The program is looking to purchase \$5,000 worth of computer software to make ID badges for the kids with proceeds donated from the 2009 Kid Kare Motorcycle ride. The IDs will contain the child's personal information and emergency information. Almost donated. The ride averages (depending on weather) over 100 motorcycles.

Pictured are Sgt. Zmudzinski and Junior Merten at one of many stops throughout the ride.

Safety Town

The City of Burlington Police Department in partnership with Burlington Jaycees sponsors the annual Safety Town Program.

This annual program held in June is designed for children entering kindergarten in Burlington and surrounding communities each fall. Children learn about topics such as Stranger Danger, how to use 9-1-1, hand gun safety, poisons and Mr. Yuk, bicycle skills and how to safely cross streets. The program consists of a morning session and an afternoon session for two weeks. Each day the program runs for approximately two hours each day. Enrollment includes a small fee to cover snacks and field trips to the Burlington Police and Fire Departments. Officer Johnston and Officer Hayes teach the outside portion of the program which consists of bike safety and a safety course. The safety course allows the children to learn how to safely cross streets, use crosswalks, navigate around buildings and street sign identification. The program concludes with a graduation ceremony and the issuance of certificates.

The program continues to be a huge success and receives generous donations from local businesses such as Nestles, Dairy Queen, Bob's Pedal Pushers the Plaza Theater and more.
