The City's Official Newsletter

2017 Real Estate Taxes

The Common Council has approved the 2018 budget. Property tax bills are prepared and will be mailed around the week of December 11, 2017. Contact City Hall at 342-1161 first if you do not receive your tax bill OR if you have any questions regarding your tax bill.

Assessment & Bill Calculations

2017 Property Taxes and Personal Property Taxes are calculated on the assessed value of your property as of January 1, 2017. Property Assessments are handled by Accurate Appraisal. Contact them directly at (800) 770-3927 if you have any questions regarding the assessed value of your property. All Personal Property Taxes are based on forms received by Accurate Appraisal completed by the owner of the personal property. Even if you rent space in a building, you may be subject to Personal Property Tax.

Paying Your Tax Bill

The first installment of your tax bill is due no later than January 31, 2018 and can be paid at City Hall, Fox River State Bank, by mail, or online at www.paymentservicenetwork.com. The City will accept checks, money orders, bank checks, credit card (fee added) or cash. If you are mailing your tax payment, the envelope MUST be postmarked January 31, 2018. The check should be made payable to "City of Burlington Treasurer". Envelopes with postmarks after January 31, 2018 are considered late by the County Treasurer. The City contracts with Payment

Services Network to accept credit cards or electronic checks for your taxes. You may also use your credit card at City Hall or click the link on the City website under the Budget & Finance/Taxes page, or call (866) 917-7368 (option 1). A fee of 2.75% will be added to your credit card for tax payments online or at City Hall.

Make sure you look at your tax bill closely. The accuracy of your tax bill is your responsibility. If you have a change of address or an error in your property tax description, please come to City Hall and we will prepare the necessary forms, or put you in contact with the proper County department.

Lottery and First Dollar Credits

If you own property in Wisconsin you are eligible to receive the Lottery Credit. If you own multiple parcels, you may only take the credit on your primary Wisconsin residence, or one parcel only. You may also be eligible for the First Dollar credit if you have improved property. First Dollar Credit does not apply to vacant land. Both of these items should be listed on your property tax bill. If you feel you are entitled to the Lottery Credit, but it does not appear on your tax bill, please bring your bill and payment to City Hall where you can fill out the proper Lottery Credit form. We can then apply the credit at the time of payment. Neither Fox River State Bank, nor Payment Services Network can apply a lottery credit to your bill. This must be done at City Hall.

View and Print Property Tax Bills Online

View and print your 2014 - 2017 property tax bills on the Racine County website with an app called "My Tax Bill". My Tax Bill allows property owners within Racine County to search their property by address, parcel number, or owner name to view and print tax bills. A three year history of the property tax bills are available to view and print. You will also have the ability to change a tax bill mailing address and view assessment and other tax information.

My Tax Bill can be located on the City's website under the "Budget and Finances - Taxes" page within the page at <http://www.burlington-wi.gov/index.aspx?nid=473>.

Current year tax bills will not be available until mid-December.

Burlington Ice Festival December 16!

2017 BURLINGTON
ICE FESTIVAL
Saturday, December 16, 2017
Downtown Historic District
Wehmhoff Square Park
355 North Pine Street

FREE ALL DAY FAMILY EVENT
LIVE ICE SCULPTING AROUND THE PARK
COME WATCH THE ICE SCULPTORS WORK THEIR MAGIC
AND EXPLORE OUR WONDERFUL DOWNTOWN!

On Saturday, December 16, the City will be hosting their second ice sculpting contest in Wehmhoff Square Park. The City plans to have up to sixteen ice blocks placed around the park that will be carved all day by talented artists.

Each sculpture will be carved from a 300-pound block of ice that has been frozen in a special process to ensure that the blocks are crystal clear. Live sculpture carving, a favorite viewing attraction, showcases ice carvers using chain saws, propane torches and hand tools as carving masters transform massive blocks of ice into an array of giant masterpieces.

There is no cost to attend this all-day event. Please spend the day with us viewing the artists in action, taking a horse drawn wagon ride and also exploring our wonderful downtown!

Welcome Peter Riggs as Public Works Director!

On behalf of the Common Council and Mayor Jeannie Hefty, the City is pleased to announce the selection of Peter Riggs as the City of Burlington's new Public Works Director!

Peter is a graduate of the University of Wisconsin-Whitewater. He began his career in local government management with the City of Janesville, Wisconsin, where he served as the Administrative Analyst in the City Manager's Office and later as the Assistant Operations Director

in the Department of Public Works. Most recently, he has served as the Operations Manager/Assistant to the Director of Public Works for the Village of Grayslake, Illinois. He aims to apply his years of public works management experience and his data focused management style to provide efficient, effective and responsive services to the residents of Burlington.

Peter is a native of southern Wisconsin, born and raised in Janesville, WI. He developed an appreciation for the natural world while camping, hiking, and paddling the beautiful landscapes of Wisconsin. He looks forward to sharing this love with his three young children. His family enjoys attending festivals, reading and storytelling, and cheering for the Packers, Badgers, and Penguins.

Mr. Riggs began his duties as Public Works Director on Thursday, October 26. If you have a few minutes to spare, please stop in the Department of Public Works and introduce yourself. Peter is excited to begin a long-lasting relationship with the residents and staff of the City of Burlington.

Devor Park/Water Tower Sledding Hill Closed for the Winter Season

The sledding hill at Devor Park (commonly known as the water tower hill) will be closed for the 2017-2018 winter season due to construction activity for the new Community Pool.

Equipment, stockpiled materials and ongoing construction activity located at the base of the sledding hill will create conditions that would put sledders at serious risk of injury.

We thank you for your cooperation during the construction process!

Stranger in the Woods

by Michael Finkel
Monday, January 22 at 7 p.m.
This is a remarkable true story about a man who survived in solitude for twenty-seven years in the Maine woods. During that time he lived in a tent and survived by stealing food and supplies from cottages within walking distance of his campground. During this entire time, he never spoke with another human being, using his wits and fortitude to live life in his own way.

Being Mortal
by Atul Gawande
Monday, February 23 at 7 p.m.
A prominent surgeon discusses the complexities of extending life through medical means while diminishing the quality of life for people who are often left isolated, uncomfortable and with a loss of dignity.

Big Read 2018: Station Eleven
Burlington Public Library will be participating in this year's Big Read, organized by the UW-Parkside Library and sponsored by the National Endowment for the Arts. The Library will be giving away FREE copies of Station Eleven beginning on January 15 while supplies last. More information on Big

Read events is at <http://libguides.uwp.edu/stationeleven>.

Station Eleven, Emily St. John Mandel's fourth novel, tells the story of a small band of actors and musicians 20 years after a flu pandemic has wiped out 99% of the Earth's population. The book highlights the fragility of our existence, our violent nature, and our capacity to survive despite the inevitable hardships of starvation, loneliness, and chaos. But the story Emily chooses to tell is not one of horror and mayhem that would befall the survivors in the immediate aftermath of a complete societal collapse. Station Eleven describes a world of hope, of people coping with nostalgia and loss, both in the present and the future, of the power of art and relationships to fulfill us, sustain us, and nurture us back to our best selves.

Big Read book discussion
Tuesday, February 13th at 6:30 p.m.
Discuss the Big Read book, Station Eleven by Emily St. John Mandel, with Library Director Joe Davies.

Haven't read Station Eleven? You can pick up a free copy at the library (while supplies last) or get on the wait list for one of our circulating copies.

What to expect during a snowfall

Resident Responsibility

Sidewalk Clean-up

Property owners must clear snow and ice from sidewalks within 18 hours of the snowfall. Failure to do so may result in fines and fees for removal service.

Mailboxes

Unfortunately, snow plowing operations can sometimes damage mailboxes. Do your part to minimize the chance your mailbox is damaged by ensuring it is installed to USPS standards and that it is in good repair.

Private Snow Removal

Please do not plow, shovel, or blow snow into the street. Doing this creates a hazard, slows down our response, and violates local ordinance.

Winter Restricted Parking

No on-street parking is allowed between 10 p.m. and 6 a.m. when over 3 inches of snow has fallen. This parking restriction stays in effect for 48 hours or until plowing is completed. If possible, please avoid parking on the street during any kind of snow event. Parked vehicles slow down our response and impact the quality of the response.

Snow Emergencies

During more severe snow events the Mayor may declare a snow emergency. No parking is allowed on any City street, alley, or public parking lot at any time during a snow emergency.

City Responsibility

Preparation

We monitor road conditions and weather forecasts continuously so we can respond as soon as possible to winter weather. With help from the Police Department we can ensure 24 hour attention to pavement conditions.

Pre-treatment

Occasionally, we apply salt or other anti-icing chemicals before a storm starts. This helps prevent bonding of ice to the road and can buy time before hills and bridges become slick.

Removal Plan

In most cases, we start our response on high volume roads, such as marked highways or the downtown. We also prioritize access to critical facilities like hospitals and schools. After these areas are plowed we plow residential streets and alleys.

Downtown Removal

We remove snow from downtown curbs, corners, and public parking areas after heavy snowfalls, or when enough snow has accumulated. We notify late night business owners and post signage before the removal event.

Christmas Tree Recycling

Give your Christmas tree a second chance by recycling it! Christmas tree collection will be available the second and fourth Wednesdays of January and February. Pick up of the trees will be in conjunction with brush pick up the same days. Residents should call the Department of Public Works at (262) 342-1181 to have their address placed on the pick up list. In an effort to be cost effective, we only pick up Christmas trees and brush that has been called in. Please call by the prior Tuesday to have your address added to the list.

Are You Interested in Running for Mayor or Alderman?

The Office for Mayor, as well as offices for each of the four Aldermanic Districts will be included on the Spring Election ballot. If you are interested in seeking an office, you may obtain Candidacy and Nomination papers from the City Clerk at City Hall, 300 N. Pine Street, Monday through Friday, 8 a.m. to 4:30 p.m.

Members of the Council are responsible for the implementation of programs and services provided by the city. As the Legislative Body, the Council has the responsibility of passing ordinances, resolutions, orders and motions for the City's government. Along with those responsibilities, the Council is also in control of the City's property, finances, and appropriation of all money spent on behalf of the taxpayers.

December 1, 2017 is the first day to circulate nomination papers and the final day for filing nomination papers is 4:30 p.m., Tuesday, January 2, 2018.

The Spring Election is scheduled for Tuesday, April 3, 2018. In the event a primary will be necessary, the Primary Election will be held on Tuesday, February 20, 2018.

When Lives Depend on Highly Trained Professionals

The Tri-County Fire & Rescue Training Association was formed in August of 2017. The association is a 501C3 organization made up of members from five fire departments across three counties in Southeast Wisconsin. Founding departments include: City of Burlington Fire Department, Town of Burlington Fire Department, and Rochester Volunteer Fire Company in Racine County, Wheatland Volunteer Fire Department in Kenosha County, and Lyons Volunteer Fire Department in Walworth County. The goal of our organization is to provide an exceptional, higher level of training to our members, therefore providing a higher level of service to the people that we are sworn to serve and protect. This is accomplished through many State of Wisconsin Certified Fire Instructors with countless years of combined instructional experience.

In our efforts to succeed in our goal; the Tri-County Fire & Rescue Association has

created plans and has started to raise funds to build a new state of the art training facility. This facility will be located in the City of Burlington at the Department of Public Works Grounds through the generosity and support of the City of Burlington Common Council and other elected officials within the city.

The initial cost of this facility is estimated at \$170,000.00. The funds for this facility will be 100% funded by donations through each of the five departments fundraising activities and/or through funds raised from joint fundraisers or private donations. No tax payer money will be utilized from any of the 5 communities to fund this project. The training facility will continue to be a "work in progress" even after the initial construction is

complete to ensure that the professionals training at this facility are receiving the most recent and updated tactics as the Fire Service continues to change.

Change of Business Hours

Beginning Tuesday, January 2, 2018 the Wastewater Treatment Plant and the Department of Public Works will be changing their business hours to 8:00 a.m. to 4:30 p.m., Monday through Friday.
